Subway Surfers Play Online

What is Subway Surfers?

We are thrilled to give you the

opportunity to embark on an adventure through this city with this fantastic new endless runner game called Subway Surfers: Havana! Havana is the capital city of Cuba and one of the most beautiful cities in the entire world, but it's also a city that most people can't travel to how they want and when they want to.

Our administrative team is excited

to continue the Subway Surfers World Tour by inviting you to the most recent exotic location in these 3D endless runner games, which is the wonderful Peru, where we know you will have a blast from beginning to end.

Bali, one of the world's most well-known

tourist destinations, is the current location of the Subway Surfers World Tour Games series. You can now visit Bali through this 3D endless runner game without ever having to leave your seat in front of your computer or phone. Are you prepared for a brief online vacation?

How to master Subway Surfers

Our administrative team is excited to

share with you the game called Subway Surfers Zurich, where you visit this very important city in Switzerland, right now. We want to give you the opportunity to travel the entire world in our series of Subway Surfers Games online for browsers, which you can find on our website.

Without a doubt, Saint Petersburg ranks among the most

picturesque cities in all of Russia, particularly in the winter. Since not all of you have access to easy travel, the next best thing you could do is explore this city by playing online Subway Surfers World Tour Games, like you are doing right now with this edition that features this city!

The Subway Surfers World Tour Games series, as the

name implies, takes you on a journey through the largest capital cities in nations all over the world where you get to explore their subway systems while being pursued by a police officer for doing graffiti. The most recent location we invite you to explore is

Marrakesh.

Houston, there is no problem; only good news! The most recent city that players on our website have the chance to enjoy exploring through new Subway Surfers World Tour Games, games that we always make sure to bring over as often as possible, is this highly-popular city from Texas, from where NASA sends people out into space on rockets!

Honk Kong is the newest city you can explore through the Subway Surfers World Tour Games series on our website. We are extremely happy to be able to share it with you all for free because we have all thoroughly enjoyed playing it from beginning to end. So why wouldn't the same be true for you too, even if you've never played any of these endless runner games 3d before?

You will need to sprint through the streets of

Havana with the graffiti artist character of your choice, dodging any obstacles that get in your way because doing so will slow you down and if you get caught by the people chasing you, the game is over and you have to restart it.

Use the up arrow to jump over

obstacles, the down arrow to slide under them, and the left and right arrows to move into any of these directions to dodge them.

Instead, keep moving forward while running

or skating (you can activate the skateboard using the spacebar), and try to collect as many coins as you can to raise your score and use the coins to buy new skins or hoverboards in the shop.

Since this is an endless running game, try to cover as much

ground as you can before being caught. However, you should also try to collect as many coins as you can to raise your score. If you can, try to collect the power-ups, upgrades, and bonus items that are scattered throughout the tracks.

As you would expect

from the format, you need to try collecting as many coins along the course as you can because the more of them you have, the bigger your score becomes, allowing you to

unlock new boards, skins, and characters! Grab the surfboard upgrade and press space to activate it, using it to get ahead even faster!

# Gretchen Whitmer Critica a Donald Trump por Sus Comentarios Sobre el Aborto

La gobernadora de Michigan, Gretchen Whitmer, calificó a Donald Trump de "meramente extravagante" el domingo después de que dijera que las mujeres ya no estarían pensando en el aborto si es elegido presidente en noviembre.

"Este tipo simplemente no entiende lo que una mujer promedio enfrenta en su vida en este país, y ¿cómo podría? No ha vivido una vida normal", dijo Whitmer en una entrevista en el programa State of the Union de ultra casino bonus .

Whitmer también reafirmó su apoyo a Harris, describiéndola como una persona "que ha trabajado en trabajos por hora, que sabe lo importante que es que las mujeres tengan atención médica y acceso al cuidado médico que necesitan".

Whitmer fue invitada a comentar sobre un discurso que Trump entregó el sábado, en el que dijo que las mujeres "serán felices, saludables, confiadas y libres" si es elegido presidente.

"Está simplemente loco", dijo la gobernadora de Michigan.

El viernes, Trump hizo comentarios similares sobre las mujeres en su plataforma Truth Social.

**"LAS MUJERES SON MÁS POBRES DE LO QUE ERAN HACE CUATRO AÑOS, ESTÁN MENOS SALUDABLES DE LO QUE ESTABAN HACE CUATRO AÑOS ... Y SON MENOS OPTIMISTAS E INCONFIDENTES EN EL FUTURO DE LO QUE ERAN HACE CUATRO AÑOS!"** dijo Trump.

Harris es una firme defensora del derecho al aborto. La vicepresidenta pronunció dos discursos el viernes, primero en Georgia y luego en Wisconsin, destacando el caso de Amber Thurman, quien murió en Georgia debido a una estricta prohibición del aborto.

Los comentarios de Whitmer del domingo se producen una semana después de participar en un evento de campaña en línea con la presentadora de televisión, productora y autora Oprah Winfrey, que se transmitió en vivo a nivel nacional desde Michigan.

La gobernadora de Michigan fue nombrada anteriormente como posible candidata a la nominación presidencial demócrata antes de retirarse en julio. Michigan es un premio obligatorio para los candidatos, un estado que ha votado por el ganador de la elección presidencial en las últimas cuatro elecciones nacionales.

Biden ganó Michigan por 154,000 votos en 2024. Dos años después, Whitmer derrotó a un candidato respaldado por Trump y los demócratas tomaron el control por completo por primera vez en 45 años.
